THAT the July 17, 2016 Annual General Meeting Minutes be approved as presented.

**UNANIMOUSLY CARRIED** 

### 3.0 PRESIDENT'S REPORT AND RECOMMENDATIONS

- Constance began the meeting by asking everyone to remember Association PSLL board member Don Stanley, who had passed away earlier this year. Don had been an association volunteer for many years, and he was also very active in the Lac Barnes Association.
- Nothing out of the ordinary happened last year (no logging!), and the Association continues on the environmental preservation, including water testing, and fun activities, like the Regatta on August 5.
- The water testing results are available and reveal a good water quality.
- There is also no news on any development plans by Lauzon. Nothing has been submitted or approved.

# Question by Doug Holden:

Lauzon cut a few more trees on Crown land, when will they be taken out?

# Answer by Claude Bergeron:

Claude will be advised by the company when they will pick them up.

### Answer by Constance Hudak:

The Association asked the municipality to insist on damage prevention to the roads. We also asked to be advised when the transport will happen, and to appropriately install signage and slow down the trucks

### Comment by John Smart:

John thinks that the cutting is done by Lauzon in order to prepare for development, and that the municipality has no power of the size of lots.

# Reply by Claude Bergeron:

With the new regional development plan, the lot sizes go up from 3,500m<sup>2</sup> to 5,000m<sup>2</sup>. All building permits for properties in 2016 have been for properties over 7,000m<sup>2</sup>. Lauzon likes to develop between Lac Corrigan and Lac Maskinongé, but so far nothing has been submitted. If no development plan is submitted soon, the province might stop Lauzon. In any event, no building permits are given, unless the roads are up to municipal standards, which might prove too costly to Lauzon.

### Comment by André Cossette:

The lot size does not matter if the water frontage minimum size is not increased.

# Reply by Claude Bergeron:

The minimum water frontage has to be 40m, most lots are bigger. Again, the road to the lots still available will drive the cost of these lots up significantly.

# Constance welcomed the mayor of Val-des-Monts, Jacques Laurin.

# Jacques Laurin shared some news:

- The development plan by the MRC des Collines is not adopted yet. The main concern of the municipality is to protect the lakes.
- The watershed plan (which affects 2 lakes on the PSLL domain) is going ahead and will be an important tool for future protection and funding for environmental protection.
- The province needs to reduce garbage by 40% by 2020. Right now, the garbage goes to Lachute. Starting next year, every house has to do onsite composting. There will also be new garbage bins by the municipality, they will be picked up mechanically. It is not clear yet if the frequency of garbage pickup will increase. There is also a dangerous substance collection twice a year. Each time, about 6 big truckloads of garbage are collected. There are also discussions with the garbage company to be able to drop off construction materials. The future council will make the decision.
- The municipality has grown by 2,500 residents since 2013 (450 new houses, 500 cottages becoming permanent residences as well)
- Jacques will run for the position of mayor again.
- All signs attached to trees will be removed according to the new bylaw.
- The automatic emptying of the septic systems will be changed, it was too expensive. Next year, the municipality will measure the systems and only require emptying when necessary.

# Question:

Will the compost be picked up?

### Mayor:

No, with the possible exception of the condos in Perkins, everyone has to compost themselves.

### Question:

Will the cost of garbage pickup go up?

### Mayor:

Very little, possibly a green fee of \$55-60 per year.

# Claude Bergeron:

Composting bins can be bought at the municipality for \$35 (half the price of the same bin at Canadian Tire).

# Odette Surch:

Odette also advised people to sign up to the municipal info-letter on the website, which will automatically send you an email every time something important happens at the municipality.

# Question by André Cossette:

When will some more of Blackburn and Chêne Rouge be paved?

### Answer by the mayor:

This was addressed in Council last week. There is a Québec program to get funds for this. Also, a new grader was delivered on Monday.

# Question:

Can another 20m of guardrail be installed on Blackburn?

### Claude Bergeron:

Please send an email to Claude Bergeron with the exact spot, so he can address it with the proper committee.

# Doug Holden:

Are non-resident voters contacted automatically for the voters list?

### Mayor

Letters go out to every property in advance.

# Question (by former Bell employee):

Has been discussions between Bell and the municipality for High-Speed Internet?

# Mayor:

This has been discussed for years. In the end, Digicom and the municipality put up wireless Internet. However, a grant request was filed with the federal government and any contact information at Bell would be greatly appreciated by the mayor.

# André Cossette:

Make sure your Digicom antenna is insured, it is not covered in case of a fire.

# Question:

Will there be more cell phone towers for better coverage?

### Mayor:

No information is available.

# Question:

Will there be a medical clinic?

### Mayor:

The municipality is in discussions, and there are meetings scheduled with the minister.

# Constance welcomed Sergeant Martin Fournel of the Police of the MRC des Collines.

Martin Fournel introduced himself and presented some facts:

- He looked at the statistics of the last 1.5 years.
- Only 5 break-ins have been reported in Val-des-Monts during that time. Crime is going down
- The MRC has the biggest territory in Quebec, 2,000m<sup>2</sup>.
- 60% are property crimes, and they usually occur from Sunday night to Wednesday.
- When you arrive at your house and see that someone broke in, don't touch anything, so that the forensic team can get fingerprints.
- Usually they break into the front door and steal lawn mowers, gas, etc..
- Police and insurances don't share information, so please call the insurance as well as the police.
- A surveillance camera is a good idea for prevention. Even a warning sign is good. Camera footage will be put on social media in order to find the perpetrator.
- 1 fake alarm per year is free, after you will get charged (alarm system has to be registered with MRC or municipality).

### John Smart:

What can we do about noise complaints?

# Sergeant Fournel:

Check the by-laws for the noise complaints. A police officer cannot be a witness for noise complaints (this was a court ruling), since noise is very objective. In any case, a written statement by the complainant is needed, but the police can't issue a fine. Better talk to the neighbour first.

### Ouestion:

What can be done about excessive speed by boats?

### Sergeant Fournel:

Lac MacGregor is the only lake where boat speeds are regulated. The speed sign is really just a suggestion and boaters can't be fined. Lack of life jackets or boat operators permit are the most common fines issued. As for reckless driving, it could be recorded, but will it be enough for a conviction through the criminal code? Call for the sergeant on duty if you think it is dangerous.

# Question:

What about private roads?

# Sergeant Fournel:

Private road speed limits cannot be enforced by the police. ATVs are only allowed on private roads, therefore not on Blackburn or Bataille or Chêne Rouge!

# Constance asks Claude Bergeron if he had anything to add.

- Claude reported that there was a new fire chief and that there were visits being done to see if houses had a smoke detector.
- The watershed plan will have 2 public consultations.
- Claude will run for councillor again.

### 4.0 TREASURER'S REPORT

# 4.1 2016 Financial Statements

David Hodgkin briefly reviewed the 2016 Financial Statement (see Attahcment #1) and there were no questions.

□ MOVED BY: Tony Bernard

SECONDED BY: Thérèse Lauxon

THAT the Association's *Revenues and Expenditures for 2016* be approved as presented to paid members via the *Newsletter* and previously recommended by the Board of Directors.

UNANIMOUSLY CARRIED

### 4.2 Projected 2017 Budget

David Hodgkin briefly presented the *Projected 2016 Budget* (see Attachment #1).

□ MOVED BY: *Doug Holden* 

SECONDED BY: Claude Bergeron

THAT the Association's *Projected 2017 Budget* be approved as presented.

**UNANIMOUSLY CARRIED** 

### 5.0 REPORTS FROM THE BOARD COMMITTEES

# 5.1 Communications

Constance Hudak thanked publication team for the *Newsletter*, and editor Cynthia Hamady said that photos and articles for the next edition are always welcome.

She also thanked Jens for the emails to members.

# 5.2 **Property Holdings and Issues**

Tony Bernard reported that the right-of-way portion of chemin Malard was finalized in 2016.

Furthermore, there has been a request to purchase a PSLL right-of-way at 54 chemin de Lac Bataille. Consultation and an onsite meeting with the presumptive purchaser and neighbours was held in May 2017. Pending a new survey and PH&I Committee approval and recommendation to the Board, it is expected that the sale of this right-of-way will conclude in late 2017.

Claude Bergeron adds that July 31st is the deadline for road maintenance application submissions. There was not enough interest expressed for winter maintenance. Of the 8,000 people contacted, only 20 from one road expressed interest.

# 5.3 Environment

Doug Holden reported that the water quality test results have been done. If there are any higher *e.coli* results, the Association can have a closer look (contact Doug). The transparency test this year has been a little worse, probably due to the heavy amount of rain in the spring.

### Question:

What can be done with old rotten docks that float around?

Claude Bergeron and Jens Urban:

Tow them to the beach on Lac Bataille and Association PSLL will take care of them.

### Question:

What can we do about the milfoil problem?

Claude Bergeron:

The milfoil problem will be addressed with the watershed plan and directly through the Association PSLL.

# 5.4 Membership

David Hodgkin (chair) reported that as of the AGM, 150 members had signed up. Reminder emails and letters will be sent.

# 5.5 Recreation and Social Activities

Jens Urban reported that the annual regatta will be as usual, and the corn roast as well.

### 6.0 ELECTION OF THE BOARD OF DIRECTORS

- a) Laurent Roy chaired the election.
  - Constance Hudak was nominated as President by Claude Bergeron and Richard Legault for a two (2) year term.
  - Jens Urban was nominated as Secretary by Luc Fournier and Tony Bernard for a two
     (2) year term.
  - Luc Fournier was nominated as Bataille Lake Representative by Claude Bergeron and Jens Urban for a two (2) year term.
  - Élaine Carisse was nominated as Bataille Lake Representative by Claude Bergeron and Jens Urban for a two (2) year term.
  - John Smart was nominated as Bataille Lake Representative by Claude Bergeron and Jens Urban for a two (2) year term.
  - *Tony Bernard* was nominated as *Rhéaume Lake Representative* by Claude Bergeron and Richard Legault for a two (2) year term.
  - John Smith was nominated as Rhéaume Lake Representative by Claude Bergeron and Richard Legault for a two (2) year term.
  - *Richard Legault* was nominated as *Rhéaume Lake Representative* by Claude Bergeron and Richard Legault for a two (2) year term.
  - *Flamur Canaj* was nominated as *Barnes Lake Representative* by Clayton Devine and Élaine Carisse for a two (2) year term.
  - *Paul Chedore* was nominated as *Corrigan Lake Representative* by **Luc Fournier** and **Claude Bergeron** for a two (2) year term.

# All the aforementioned candidates were elected by ACCLAMATION.

b) Chevreuil Lake and Maskinongé Lake remain without representation.

Special thanks to the outgoing board members.

# 7.0 OTHER BUSINESS

- Clayton Devine reported that the boat launch needs infill.
- Claude Bergeron reports that the property on Grand pic has finally been sold by the bank, thus ending the long saga that had started when the Association PSLL had been sued by the owner.
- Constance reiterates that the Lac Bataille boat launch is only for waterfront owners on Lac Bataille, Lac Rhéaume, as well as the owners on the grandfathered list (mostly from Lac Barnes).
- The Domaine Chêne Rouge sign will not be fixed by Association PSLL, since it is not our sign.
- Jens will have new signs printed over the winter in order to replace the old wooden signs.

There being no further business, the	e Annual General Meeting was adjourned at 12:15 p.m.
Respectfully submitted,	
Jens Urban, Secretary	Constance Hudak, President
